

2022 New York District Rally Location Selection Program

For chapters that want to take an active role in helping find a location for upcoming district rallies, here are the requirements and the rewards for the chapter.

The following are the basic requirements for a Chapter to follow:

1. Choose a city, town or attraction area that you think could host the event.
2. Once you have that, choose a hotel that could be the host hotel. This hotel should be able to accommodate approximately 200 participants. If the entire event is to be held on-site at the host hotel, here are the guidelines that you should look for in that hotel:
 - The hotel should be able to accommodate all the dinner meals for entire event (Thursday and Saturday evenings).
 - The hotel must have multiple rooms to accommodate all the various meetings that would be held throughout the event. This would be a minimum of two large conference rooms.
 - The chapter should obtain preliminary hotel rates and name of the contact person who will be there throughout the entire event.
3. Contact person(s) at the local Visitors Bureau and/or Chamber of Commerce.
4. Rough ideas of activities and rides that could be planned.
5. If the hotel cannot accommodate the above, then a venue must be found possibly close to the hotel who can accommodate the dinner meals and have available various meeting rooms.
6. The Rally will be held the 2nd week in August (Thursday, Friday, and Saturday)

Program Logistics

1. Chapters should submit an email packet with all the above information contained to the District Director via email to gwrri.ny.director@gmail.com by November 30, 2021. Only complete submissions will be entered into the selection process.
2. After all the submissions have been received, a location will be selected by the District staff and announced.
3. **For all participating chapters, here are the incentives:**
 - Chapters that submit a complete package (all information above is provided) will receive three (3) Dash 4 Cash points.
 - The chapter whose submission is selected as the next location for the New York District Rally, will receive two (2) additional Dash 4 Cash points (five (5) points total) and a cash award totaling \$100.00. This would be enough to pay chapter charter fee for the coming year, if you so choose.
4. *****NOTE***** - The chapter does **NOT** have to plan the rally, only give us ideas where we can hold it.

So, Chapter Directors, get your team formed and get your submittals in and let's see where we ride and rally in 2022 and beyond! Members of the District Staff are eligible to send in a submission. If you do that, please list the people that worked on the submission and those people can split the \$100 if their submission is chosen. I will award the Dash 4 Cash points to whatever chapter they designate they go to.

Get those ideas in before November 30th, 2021 to be eligible!
