

New York Chapter of the Year Rules for 2020

Our new New York Chapter of the Year Rules are now in force. Our NY CHoY participants will rely on a few different programs already in place to accumulate points toward the NY District Chapter of the Year for 2020. If two different chapters are tied in accumulated points at year's end, the District CHoY Coordinators will award the plaque to the Chapter that had the most members registered at the NY District Rally. Documentation requirements are also clarified.

Chapter activities that can earn CHoY points fall into three categories:

- Seminars and Training
- District Event Participation
- Chapter Visitation

Courses and Training

Course and rider training presenters may now accumulate points for their chapter by presenting courses not previously allowed. (However, some seminars have been eliminated.) Table 1 shows a complete list of the available courses and the points that will be credited to the presenter's NY chapter, as well as to the NY chapters with 5 or more members attending:

Documentation Required: A copy of a completed Dash for Cash submittal form, along with the completed course roster, clearly showing the presenter and the seminar that was presented.

Chapter Visitation

For purposes of Chapter Visitation, our District is divided into four regions: Island, Eastern, Central and Western Regions. Chapters will accumulate 5 points for five or more members visiting chapters in their own Region, 10 points if they visit a chapter in an adjacent Region, and 15 points if they visit a chapter in the farthest Region. (See Tables 3 and 4 below.)

Documentation Required: A copy of a completed Dash for Cash submittal form, including the required photo showing the five or more members of your chapter and the visited Chapter Director or ACD. A maximum of 2 visits per year to the same chapter.

Capturing the District Plaque

The "successful" chapter capturing the Plaque will be awarded 7 points (the chapter having the most members, or in the event of a tie in attendance, the chapter traveling the farthest). Any "unsuccessful" chapters having 5 or more members attempting to capture the Plaque will be awarded 4 points.

Documentation Required: A copy of a completed Dash for Cash submittal form, including the required photo showing the five or more members of your chapter, and the visited Chapter Director or ACD, and whether the trip was "successful".

Submittal deadline: Packages for year 2020 must be submitted by February 1, 2021.
